Treasurer Report tabled for next month

UNFINISHED BUSINESS:

TLEEAA Competition Information:

All posts with scenarios to be turned into Tyler Kruse asap if your agency is hosting a scenario.

Curtis stated scenarios that are needed to be filled still are Crime Scene – Murphy PD taking one and Mesquite possibly taking two. He will get this information confirmed asap.

Opening ceremony will be Coppell PD- Trevor confirmed they were good to go.

Dallas /Baylor handling active shooter/first aid scenario. Dallas PD providing protective gear at all locations for all of their scenarios.

Brad Johnson is planning to handle speaking to all judges meeting the day of competition at 0800 hours. Brad will be making sure judges know of time and placement of their scenarios.

Nevo and Physical Agility Course both planning on starting around 0900 hours. After speaking with Nationals they advised liability coverage carried per post when chartered is all needed to cover any explorers participating in NEVO.

Runners will just be picking up score sheets and returning them to headquarters area. They will not be taking teams to scenarios this year as we will be utilizing a marked map.

We currently do not have a photographer, each agency to provide their own and to try to get pictures to Curtis prior to closing ceremony to have for slide show.

Active shooter – alert manual can be used for training for this new scenario. Plan to have a recovery team and a contact/arrest team for each scenario.

T-shirts/Trophies: Rebecca received a phone call from the vendor whom is providing both shirts and trophies and he requested a deposit of \$3650.00 in order to get started on everything. Trevor with Coppell PD made **motion** to approve paying of deposit and Brad Johnson FWPD 2nd motion. All approved of payment to be made to Awards to go for t-shirts & trophies for upcoming 2010 competition in the amount of \$3650.00. Dianne Stubbs, treasurer will be contacted once she gets back in town to mail him a check.

Meals: Virgil had quotes received from Sonny Bryans and Dicky's BBQ for catering of lunch and dinner. Both bids received were similar. Discussion made to go with the cheaper bid received. Virgil will take bids to UTD campus food service to see if they can beat the bids. If they can not we will go with outside bids for meals.

Curtis stated wrist bands will be issued to all attendees, whether an explorer, advisor, judge, or observer so that we will know that everyone belongs in area.

Registration is on line and going good.
